Together, We Can Make a Difference

Dear Friends, Partners, and Supporters,

At **Child Welfare Tshwane (CWT)**, our mission remains steadfast: **to protect, care for, and uplift orphaned and vulnerable children** in our community. With your support, we've continued to provide essential care, social services, and hope to those who need it most—at our **Orphan and Vulnerable Children (OVC) Centres** and our **Bramley Children's Home in Groenkloof**.

But we cannot do it alone.

As an organisation rooted in compassion and driven by social impact, **we're calling on our community, donors, and partners** to join us in our **new fundraising projects during the month of love and the rest of the year**. These initiatives are critical—not only to continue our day-to-day work—but to ensure that **no child is left behind**, and no community member is without the care that CWT provides.

Without sustainable funding, our ability to operate with impact is at risk. And when we can't operate, the children lose the care, protection, and future they deserve.

Here's how you can help:

- **Join our new fundraising campaigns** launching this month. Every rand makes a difference.
- **Sponsor a child or support a specific program** at Bramley Children's Home.
- **Partner with us** as a business or organisation to multiply the reach of your impact.
- **Share our story**—help us grow our community of support.

Your generosity ensures that CWT doesn't just survive, but thrives—continuing to serve with integrity, compassion, and unwavering commitment to vulnerable children and families.

Let's stand together and show the love we carry in our hearts. **Let's be the reason a child has a future.**

With gratitude,

The Child Welfare Tshwane Team
